

# ST P TH N ING RELAX → SPA

## COLLAGEN CELL WRAP

A face collagen sheet mask infused with stem cells

It hydrates, tightens and rejuvenates your skin. A mask with apple stem cells and resveratrol that contribute to the repair and regeneration of skin cells.

*\*This treatment can be applied while lying on your lounger.*

## DIAMOND THERAPY

Facial treatment with diamond powder, caffeine and 32 anti-aging active ingredients for skin renewal and rejuvenation, offering to the epidermis instant glow and radiance.

## SUN DEFENSE

Skin protection treatment, specially designed to prepare the skin before exposure to sunlight. Enhanced with vitamin D3 and hyaluronic acid.

## AFTER SUN

Face and/or body therapy that directly restores the epidermal hydration and relieves from irritations after sunlight exposure.

## CAVIAR THERAPY

A massage using the nutritional caviar oil which is rich in fatty acids and vitamins.

A caviar face mask enriched with  $\omega 3$  and  $\omega 6$  fatty acids. A mask that stimulates collagen synthesis and increases cell integrity. Vitamin F, Matrixyl 3000 and the Chromocare component all contribute to skin regeneration and rejuvenation.

This treatment includes a massage using the nutritional caviar oil, which is rich in fatty acids and vitamins. The application of the mask and the treatment ends with a gentle massage using a caviar face cream.

## THAVMA THERAPY BY JULIETTE ARMAND

Thavma Therapy with EFFECTOX™ technology and BOTOX-Like effect, fights the formation of expression lines and wrinkles on the epidermis, while simultaneously protects it from photoaging and biological aging.

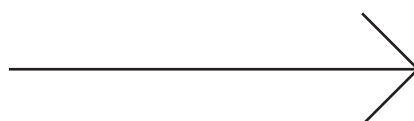

## AZULENE CALMING MASK

A soothing, hydrating face mask for sensitive and irritated skin.

The azulene mask which is enriched with chamomile extract, aloe and panthenol, provides the necessary soothing ingredients that the skin needs to restore its natural balance and safeguards a younger-looking skin.
